1. Introduction to Essentials

Your Essentials policy is a *term life insurance policy* provided by Sovereign Assurance Company Limited (Sovereign, we, us). This policy does not participate in the profits of Sovereign. This policy has no surrender value or cash value if it is cancelled.

The benefits you have chosen, cover options and premium payments are shown in *the schedule*. The detail of your benefits are show in the *appendices*.

The schedule lists the policy owner (you or your) and the life assured. When the life assured dies or suffers a condition described in the *appendices*, Sovereign will pay a benefit to you, or if you have died, to your estate. If there is more than one policy owner, Sovereign will pay the benefit to both policy owners. When one policy owner has died, Sovereign will pay the benefit to the surviving policy owner.

The policy owner is responsible for paying all premiums under this policy.

The policy owner can be an individual, group or organisation other than the life assured.

2. Your cover

The benefits you have chosen and initial amount of cover for each benefit are shown in *the schedule*. The descriptions of your benefits are contained in the *appendices*.

The amount of cover of your benefit is described as one of the following:

Level	The amount of cover under the relevant benefit remains the same each year.
Inflation	The amount of cover under the relevant benefit will increase on each <i>anniversary date</i> , by the same percentage as the percentage increase in the <i>consumer price index</i> (to a maximum of 5%) for the preceding year ending 30 September. If the <i>consumer price index</i> falls, your amount of cover will remain the same as the previous year.

3. Your premium

Your premium is shown in *the schedule*. The first premium is due to Sovereign on the first *premium due date*. You must pay the premium at the frequency stated in *the schedule*. You can pay your premium by credit card or a direct debit arrangement with Sovereign.

Your premium will change from time to time (as described below). Sovereign will advise you of any changes to your premium before we make a change. The enclosed *policy illustration* gives details of the likely changes.

When your premium can change

Each year, Sovereign will recalculate your premium at the *anniversary date* based on the age of the life or lives assured, the amount of cover for each benefit and Sovereign's underlying premium rates at that time. Sovereign will write to you before the *anniversary date* and tell you how much your premium will be to maintain your existing benefits under your policy at that time.

Your premium will also change when:

- you add other benefits to the policy or increase or reduce the amount of benefits under the policy;
- a claim is paid and the benefit ceases as a result of the payment being made;
- you request and we agree to change your premium frequency;
- the life assured reaches the benefit expiry age, as specified in *the schedule*, and as a result the benefit ceases.

Overdue premium

Sovereign may cancel your policy by written notice to you at your last known address if your premium remains outstanding 31 days after a *premium due date*.

If you want to have your policy reinstated, you must write to Sovereign. Sovereign does not have to reinstate the policy but may do so on any conditions it considers appropriate. If Sovereign accepts a claim under the policy when a premium is overdue, any overdue premium may be deducted from the claim amount.

4. How to claim a benefit

If you wish to claim a benefit, please phone the Sovereign claims team on 0800 500 103 or your adviser for assistance. You must give Sovereign written notice of a claim for any benefit as soon as practicable or within 12 months of the event giving rise to the claim.

Once Sovereign receives notification of a claim, we will advise you if we require any further information to process the claim. Further information about making a claim can be found in the *appendices*.

5. Cancelling your policy

When can you cancel your policy?

You have a 15 day free-look period. This means if for any reason you are not happy with this policy, you may return the policy document to us within 15 days. Sovereign will promptly cancel the policy and refund any premiums paid under your policy. Your free-look period starts three days after Sovereign has posted this policy document to you.

You may cancel your policy at any time after the free-look period by giving Sovereign written notice. Sovereign does not have to refund any premiums you have paid. You will remain liable to pay any premium due on the policy before Sovereign received the cancellation notice.

From (and including) the date Sovereign receives your request to cancel the policy, you will not be entitled to any benefits under the policy.

When can Sovereign cancel your policy?

The following is a description of your legal responsibility to Sovereign and Sovereign's ability to cancel the policy.

If you or a life assured has:

- failed to disclose all *material* information to us prior to inception, variation or reinstatement of this policy; or
- made a statement on the faith of which we issued, renewed, varied or reinstated the policy that was, in terms of the Insurance Law Reform Act 1977:
 - *material*; and
 - *substantially incorrect*; andFor a life policy was made either:
 - *fraudulently*; or
 - within the period of three years immediately preceding the date on which the policy is sought to be avoided or the date of death or the life assured, whichever is earlier,

“SAMPLE ONLY”

Sovereign may, at its complete discretion, either:

- avoid your entire policy from inception (this means the policy is deemed never to have existed); or
- avoid any individual benefits provided by your policy from inception (this means the individual benefit(s) are deemed never to have existed); or
- alter the terms upon which cover is provided under your policy. If we choose to alter the terms of your policy we may do so effective from *the risk commencement date*.

If the policy or any benefit provided by the policy is avoided from inception you will forfeit and we can retain all premiums you have paid in relation to that benefit or your policy.

Sovereign can cancel the policy and decline to pay a benefit under the policy if you, a life assured or anyone acting on your behalf, makes a claim under the policy that is false or *fraudulent* in any respect. In the event that fraud is established after we have paid the claim, all amounts paid in relation to the false or *fraudulent* claim must be repaid.

Sovereign can cancel the policy if a premium has not been paid within 31 days after the *premium due date*.

6. Making changes to your policy

Changing your cover

You may apply to Sovereign in writing to increase or reduce your benefits (subject to the maximum and minimum levels of cover allowed) or add other benefits to the policy. Any increase in cover other than by way of inflation will be treated as a new policy.

Sovereign does not have to accept an application for any increase in existing cover. Any acceptance will depend on a number of factors, including the state of health of the life assured.

You may add other benefits so long as the life assured meets Sovereign’s usual requirements for those benefits.

Any increase or reduction in cover will start from the next *premium due date* after Sovereign accepts your application.

Changing ownership of your policy

You may assign your policy to someone else at any time by completing the Memorandum of Transfer printed at the back of this policy document, and returning the document to Sovereign for registration. To be legally valid, the assignment must be registered with Sovereign. A policy can be assigned to more than one person. Your policy can be transferred to an individual, group or organisation. A trust or trustee cannot own the policy. No charge is payable.

7. What forms part of this policy contract?

All terms of this policy are contained in and based on:

- this policy document, which includes *the schedule, appendices and policy illustration*;
- any alterations made as permitted under the policy to the relevant benefit *appendix* and/or any application forms and declarations made by you at any time concerning this policy;
- all statements which the life assured has made to Sovereign under this policy;
- any provisions which any legislation states must be included in this contract. If those provisions can be contracted out of, they do not form part of this contract.

8. Law changes affecting Sovereign or the policy

- its liability for tax, (other than taxation on its overall income); or
- the way in which the policy works; or
- the amount of benefit that can be paid;

then Sovereign can change the provisions of the policy or the benefits in whatever way it deems appropriate.
